

GLOBAL SPICE LABEL PRINTABLES (BLACK)

by Sakina Design
with Inspiration from My Halal Kitchen

WHAT DO I GET:

60 prefilled spice labels and 30 blank (fillable) spice labels

WHAT DO I NEED:

Printable template

[Full-sheet sticker label \(click here to purchase online\)](#)

Scissors or 1.5" circle puncher

TIP: I like to buy labels from www.OnlineLabels.com. You can find any possible size of labels there, and even better, you have tons of paper choices for each size. I always go with the 100% recycled labels.

WHAT DO I DO NEXT:

1. Fill in the blank (fillable) spice labels if you need custom labels.
2. Print the template on your label sheet using a color printer. (*Color printouts from this PDF may vary from online images.)
3. Use scissors or puncher to cut out the labels if you use an 8.5" x 11" white sticker sheet.
4. Peel and apply the labels to your spice jars!
